

DREAM SHARING

a way of increasing satisfaction with life

Do you want to experience more satisfaction in your life by investigating and manifesting your dreams? Then try the Dream Sharing process and follow your dreams by focusing on making them come true.

** * * Dream Sharing will provide you with support and encouragement for bringing your particular dream to life. You will be encouraged to discover the nature of your heart's desires and move toward recognizing the individual purpose and meaning of your life. * * **
You can develop your dream for free on our Website, or for a reasonable fee receive the personal support and resources offered by our Dream Sharing staff.*

Sample Dream Sharing Results: * Matthew in South Africa attended an \$8000 training in the U.S. that he could not have afforded otherwise. * Patricia Grace lost 60 lbs. in 3 months while manifesting an exercise dream. * A man found that his manifested dream of an intimate and sharing relationship was beyond both partners' wildest expectations.

For more information, or to inquire about sponsoring a Dream Sharing Course; call (805) 685-1754 or e-mail support@dreamsharing.net or visit our *Dream Sharing Website <http://www.dreamwiki.info>

DreamSharing is based on a combination of methods developed by Jack Canfield, Barbara Sher, and especially NonViolent Communication developed by Marshall Rosenberg, Ph.D.
